## 2007 LIBRARY LIST

### INTRODUCTION

Schools are encouraged to develop Library resources to encourage the development of study skills among students. This category gives teachers an idea of what texts exist in their subjects so that they could recommend them for purchase to the Librarian. All Library texts are to be purchased through the Library 'per capita' vote. Books in other categories could also be purchased for the library.

Schools are free to make their own choices of library books from the wide range of series available on the market. A good stock of graded English readers at the Intermediate, Upper Intermediate and Upper/Transitional Level is recommended for extensive reading plus a range of original texts suitable for independent readers.

All library books are to be purchased through the 'per capita' library vote on an annual basis. Schools should ensure full usage of this vote.

It is recommended that schools should also buy 2 or 3 copies of the following poetry anthologies and a drama for inclusion in the school library: -
